“... in which we *‘shine like stars’* in the universe.”
Philippians 2:15

Dear Parents,

Thank you for your interest in our program! We believe our preschool offers a wonderful place for your child to grow emotionally, socially, and academically. We know that choosing a preschool is an important decision for you and we take very seriously the fact that you would entrust your child to us as their first educators.

On this website you will find a brochure about our preschool and all of the enrollment forms needed to enroll your child in our program. In order to secure a space for your child next year you will need to turn in the completed enrollment form along with the enrollment fee of \$55 per child or \$95 per family. **In addition, one month’s tuition will be due by August 1st. We will continue to collect tuition one month ahead so your last month to pay tuition will be in April.** The medical forms can be turned in anytime **prior** of the first day of school.

We are very proud of our teachers and the programs they have developed. You are welcome to come visit our facility and meet our staff at your convenience. We believe you will choose for your child to become a **“Shining Star”**, too!

Sincerely,

The Shining Stars Staff
